

BILLING AND PAYMENT OF UTILITIES

Utility bills are sent at the end of every other month (August, October, December, February, April, June).

Second notices will no longer be sent.

If you do not receive your bill by the end of the billing month, it is your responsibility to contact Town Hall.

You may also have your bill e-mailed to you. Please call Town Hall if you would like to sign up for this program.

Payment is due within 30 days of the billing date. The Town is not responsible for any delivery delays by the post office.

Any account not paid within 30 days will have a 10% late fee added to their account.

If the bill is not paid in full by 8:30 AM on cutoff day, the service will be disconnected, and a \$50 disconnect fee will be charged. The balance, plus fees, must be paid in full before service will be restored.

Bills are payable via cash, check, or money order. If you are paying via electronic bill pay through your bank, or sending a check, please be sure to allow extra mailing time. Credit cards will be accepted in office or online after November 1, 2016 for a service fee.

The Town also offers an Automatic Bank Draft program for property owners, where you can have your payment drafted directly out of your checking account. The enrollment form for this program can be found at <http://towb.org/DocumentCenter/View/1132>

Bills may also be paid in person at Town Hall, M-F, 8:00 AM - 5:00 PM. There is also an after hours payment drop-box located directly in front of Town Hall.
